____ **Reservations:** No rental will be considered booked & accepted until the non refundable deposit (\$50 each package or 50% of fee for individual items) has been paid. The full rental balance is required 2 weeks before shipping or pickup of rentals. Reservations that are made less than 30 days from the event date will be charged in full at time of reservation. We recommend reservations be made least 3 months in advance of the event – all special orders must be reserved 3 months before the event.

____ **Shipping:** Orders will be shipped approximately one week prior to your event. Shipping cost is \$20 per package, please inquire for shipping rates on individual items. Shipping will be priority mail via the post office. Other methods or overnight shipping will incur additional charges. Cost of return shipping is always the customer's responsibility.

____ **Rentals are non-refundable:** Two or more weeks before your event: Cancellations will be accepted. A refund (less the non-refundable deposit) will be posted to the card on file. Within Two weeks of the event: Customer is liable for the full rental charge. No refunds or credits will be made.

____ **Improper measurements:** Celtic Corner cannot be held responsible for improper fittings due to the customer giving us incorrect measurements. If such an event is to occur, we will work to exchange items as quickly as possible, if available. The customer is responsible to pay for any additional shipping costs. We cannot guarantee compensation for complaints after the event.

____ **Damaged & lost merchandise:** A checklist is provided to ensure that all items have been enclosed; any discrepancies should be brought to our attention within 24 hours of picking up or receiving your rental. Any rental merchandise that is damaged beyond reasonable repair or lost while in your possession will be charged to your credit card at **full replacement cost**. Any rental merchandise returned permanently stained, soiled, or water damaged, will be charged the **full replacement cost**. Any rental kilt or shirt returned with bodily fluids on them will be packed up and returned to you at **full replacement cost** as posted.

If an article of clothing, a shoe, or any item rented is wet from perspiration or water, it must be air dried (not in machine dryer) before shipping. The customer will be held responsible for mold/mildew infested items due to shipping wet clothes or shoes. Since mold/mildew destroys clothing & shoes, the customer will be charged **full replacement cost** for unsalvageable items.

Missing buttons, torn or damaged items that we deem repairable will be repaired at a fair price and charged to your account. Charges for repairs and replacements are available upon request.

Ironing the kilt's exterior can damage the fabric. It should be ironed from the inside if needed. Do not let the hot iron touch the jacket; you should have a piece of cotton fabric like a dish towel between the jacket and the iron. The best way to get wrinkles out is steaming so damage does not occur.

Any personal items (sunglasses, flasks, etc.) that are accidentally left in a rental return will be sent back to the customer upon request at the customer's cost.

____ **Late fees:** If returning rented items via "ground" they must be scanned by the delivery driver **on the first business day after your event.** If customer cannot make it to a Fed Ex or UPS location on the following business day after the event, the customer has 2 options: accept the late fee or ship the item via "express" so that it arrives on the due date given. All rental merchandise is to be returned by the due date given. To compensate for lost business, any rental merchandise not received by the due date shall be subject to a late fee of **\$25.00 a day, per person.** The late fees and/or merchandise replacement fees will be charged to the credit card given above. Any rental items not returned within **7 days** will be charged to the card on file at **full replacement cost.**
