Custom Order Policy:

PAYMENTS

No refunds can be made on custom order items.

A **50% non-refundable deposit** will be taken on all custom order items.

Custom order items cannot be cancelled once fabric has been ordered and/or work has begun.

Once your item is completed, we will notify you via email or phone. If we do not hear from you **within 2 days**, we will charge the balance to your credit card, including a shipping charge, and mail the item to you.

If you supply us with a credit card that is no longer valid when the item is complete, you will be charged a **1.5% finance charge** per month until the item is paid in full.

Any items not paid for and picked up within 3 months of completion will become part of our inventory and may be sold.

SIZING

We make items according to the measurements we receive and cannot be held responsible if articles do not fit due to incorrect measurements.

We will make adjustments to the product within 30 days of receipt if items have not been made according to the measurements received.

If work has not yet begun on your item and your measurements have changed, the customer must contact Celtic Corner as soon as possible with updated measurements.

If work has already begun, we cannot adjust the product.
